

The Salvation Army of Waynesboro And East-Augusta County

DOING THE MOST GOOD™

Our Response To COVID-19

The Salvation Army of Waynesboro is striving to meet increased needs of our community as a result of the COVID-19 pandemic. As vulnerable members of Waynesboro and East Augusta County suffer from layoffs and job interruptions, the Army is finding unique and innovative ways to increase distribution of emergency food, emergency utility assistance and emergency rent/mortgage assistance.

We remain open Monday thru Friday to assist those suffering with layoffs and job interruptions and have implemented procedures to safeguard our clients, volunteers and staff.

God has provided and will provide. Those who would like to contribute to our efforts are invited to reach out to Captain Timothy Jo, Corps Officer of The Salvation Army of Waynesboro and East Augusta County at 540-943-7591, or timothy.jo@uss.salvationarmy.org. The Salvation Army, an international movement, is an evangelical part of the universal Christian church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

"While women weep, as they do now, I'll fight; while children go hungry, as they do now, I'll fight; while men go to prison, in and out, in and out, as they do now; I'll fight; while there is a

poor lost girl upon the streets, while there remains one dark soul without the light of God, I'll fight, I'll fight to the very end!"

William Booth, Salvation Army founder, May 1912
